**Marty Klubeck**

Strategy & Planning Consultant  
Office of Information Technologies  
University of Notre Dame

**History:** In 1924, John H. Neeson, class of 1903 and then President of the Alumni Association, began Universal Notre Dame Celebrations as a universal meeting of all clubs on the same night. Neeson's first "Universal Notre Dame Night," in the form of a nationwide radio broadcast, highlighted the non-athletic achievements of the University's alumni and friends.
